ISASA Voluntary Family Cover

With effect from 1 March 2024, The Voluntary Funeral Benefit ("Family Cover Policy") premium rate has been maintained at R20.65 per member per month and the benefit scale has increased to R27 000.

ISASA FAMILY COVER – OLD MUTUAL (OM) 93775	
Primary Insured	R27 000
Insured Spouse	R27 000
Insured Child	
Aged older than 14	R27 000
Aged between 6 and 14	R13 500
Aged between 2 and 6	R 6 750
Aged less than 2 and stillborn	R 6 750

Employees often find this to be a valuable benefit. Those who are not currently on this cover have an opportunity to opt in annually between **1 and 31 March**. It can be quickly paid to beneficiaries on submission of all the required documentation as often the family will require immediate financial assistance to make funeral arrangements.

The member fund credit and Group Life Assurance is distributed in terms of Section 37 C of the Pension Funds Act and therefore a full investigation must take place before the Trustees can distribute this benefit and this could take up to 12 months. Hence it may be good to consider having a benefit in place (such as the Family Cover) which pays out within a much shorter timeframe.

Important Note: Schools cannot advance money to family members with the intention of recovering the advance of the member credit or Group Life Assurance. This refund is prohibited in terms of Section 37D of the Pension Funds Act. The administrator will therefore not be able to refund an employer for any advances made.

Participation:

Current employees have the option of joining the Family Cover Policy when the school first joins the ISASA Retirement Fund. Thereafter, members may only join at the following review date. **New employees have the option to join the Family Cover Policy when they first join the school. Those who have not opted in may do so at the next review date by asking the bursar to be included in the scheme.**

Please ensure that any members wishing to join the funeral scheme do so by the month of March 2024, as they will only have the opportunity to opt in again on March 2025 if they miss

this deadline.
